# CITY COUNCIL AGENDA
## REGULAR MEETING
**City Hall – Council Chamber**
**405 Larue Avenue, Edgewood, Florida**
**Tuesday, January 15, 2013**
**6:30 p.m.**

**WELCOME! We are very glad you have joined us for today's Council meeting. If you are not on the agenda, please complete an appearance form and hand it to the City Clerk. When you are recognized, state your name and address. The Council is pleased to hear relevant comments; however a five-minute limit has been set by Council. Large groups are asked to name a spokesperson. Robert's Rules of Order guide the conduct of the meeting. PLEASE SILENCE ALL CELLULAR PHONES AND PAGERS DURING THE MEETING. "THANK YOU" for participating in your City Government.**

A. **CALL TO ORDER**

B. **INVOCATION:**

C. **PLEDGE OF ALLEGIANCE:**

D. **ROLL CALL AND DETERMINATION OF A QUORUM**

E. **CONSENT AGENDA**

***Approval of the following Minutes:***

- December 18, 2012 City Council Meeting **(Pgs. 1 – 5)**

***Accept the following as provided to the City:***

- December 4, 2012 Sun Rail Meeting (Minutes from Parsons) **(Pgs. 6 – 13)**

*(Items on the consent agenda are defined as routine in nature, therefore, do not warrant detailed discussion or individual action by the Council.* ***Any member of the Council may remove any item from the consent agenda simply by verbal request prior to consideration of the consent agenda.*** *The removed item(s) are moved to the end of New Business for discussion and consideration.)*

F. **PRESENTATIONS**

- Mayoral Proclamation – Human Trafficking Awareness Month **(Pg. 14)**

G. **ORDINANCES – FIRST READING**

H. **PUBLIC HEARINGS (ORDINANCES – SECOND READINGS & RELATED ACTION)**

**ORDINANCE 2012-12** AN ORDINANCE OF THE CITY OF EDGEWOOD, FLORIDA, AMENDING CHAPTER 34, LICENSES AND BUSINESS REGULATIONS, CREATING ARTICLE VI, HERBAL INCENSE AND BATH SALTS; BY ADDING SECTION 34-137, "SALE OR DISPLAY OF HERBAL LICENCENSE AND BATH SALTS"; PROHIBITING THE SALE, DISPLAY OR DISTRIBUTION OF HERBAL INCENSE AND BATH SALT PRODUCTS; PROVIDING DEFINITIONS; PROVIDING FOR PENALTIES; PROVIDING FOR SEVERABILITY, CODIFICATIONS, CONFLICTS, AND AN EFFECTIVE DATE. **(Pgs. 15 19)**

I. **NEW BUSINESS**

1. Discussion - Land Use & Permitting Fees **(Pgs. 20 – 31)**

2. Review and Consider Administrative/Zoning Fee **(Pgs. 32 – 38)**

J. **GENERAL INFORMATION** (No action required)

K. **CITIZEN COMMENTS**

L. **BOARDS & COMMITTEES**

M. **STAFF REPORTS**

1. Police Chief

   - Quarterly Activity Report **(Pgs. 39 – 41)**

2. City Clerk

3. City Attorney

N. **MAYOR & COUNCIL REPORTS**

O. **ADJOURNMENT**

**UPCOMING MEETINGS:**

- **February 19, 2013 – Regular City Council Meeting**

**You are welcome to attend and express your opinion. Please be advised that Section 286.0105, Florida Statutes state that if you decide to appeal a decision made with respect to any matter, you will need a record of the proceedings and may need to ensure that a verbatim record is made. In accordance with the American Disabilities Act (ADA), if any person with a disability as defined by the ADA needs special accommodation to participate in this proceeding, he or she should telephone the City Clerk at (407) 851-2920.**

**EDGEWOOD CITY COUNCIL**
**December 18, 2012 CITY COUNCIL REGULAR MEETING**

On Tuesday, December 18, 2012, Council President Judy Beardslee called the Edgewood City Council Regular Meeting to order at 6:30 p.m. The invocation was given by Council Member Dowless followed by the Pledge of Allegiance.

The following attendance is noted:

**Attendees:**

Ray Bagshaw, Mayor
Judy Beardslee, Council President
John Dowless, Council Member
Lee Chotas, Council Member

**Absent:**

Pam Henley, Council Member (excused)
Neil Powell, DDS, Council Member (excused)

**Staff**

Administrative Assistant Cinnamon Wild
Chief Marcus
City Attorney Smith
City Engineer Sebaali

---

**CONSENT AGENDA**

*Approval of the following Minutes:*

- November 20, 2012

***Council Member Chotas made the Motion to approve the consent agenda, with Second by Council President Pro Tem Dowless. The consent agenda was unanimously approved.***

**PRESENTATIONS**

- Business Owners – RE: 2002 Sign Ordinance

Vince Constantini, Owner of Tops-N-Details said he would like to resolve sign issue tonight. He indicated that he agrees that signs need to be improved but not removed. He said that it is a safety factor and that the ground sign is not the way to go. He noted a previous remark Council Member Powell made about some business owners not being property owners, and didn't understand the remark. He said he thinks the existing signs should be grandfathered in. He said to lower the signs does not make much sense. He said that some of the business owners will help the City in approaching other business owners to clean up their signage and landscaping but still don't know what the City wants to do. Council President Beardslee asked the City Attorney to address the Ordinance. City Attorney Smith said Council recently passed an Ordinance to bring certain signs in compliance, and noted that Discovery Church's

sign is an example. She said everyone wants to see the Orange Avenue corridor look nice, but not to burden the small businesses. Mayor Bagshaw said that the amendment that came out allowed pole signs but it was the distance from the ground to the bottom of the sign that was addressed. He said if you take the signs down, it is less expensive and owners can take care of them. He said his concern is that the business owners in the City want the City to work with them but thinks it is only fair that they work with the City. He said they have 24/7 fire and rescue service. He said Vince made a good point; there is signage in Edgewood that has been in existence for 30 years. He asked what can be done to clean up the signage to make their business more viable, and bring other businesses in. Mayor Bagshaw said their businesses are loved and respected. He said he is not opposed to doing something with the signs but it has to be a 2-way street. He said businesses had ten years to bring signage into compliance. Council Member Chotas said he thinks it is an inappropriate time financially to make changes. He said Council recognizes that some businesses did spend money to bring their signage into compliance. He said that legally, Council cannot answer their question favorably. He said the Mayor has been working diligently as to ways to amend the Ordinance. He said the Mayor will give recommendations after the first of the year. Council member Chotas asked for their patience because they are not being asked to do anything at this time. Mayor Bagshaw said it will be February until he can give his recommendations. The Mayor said if signage is currently legible and clean, then it can be dropped; he just hasn't decided the height. Council Member Dowless said he noted that Council Member Powell's remark about the owners was because they are the ones who are supposed to make correction. He said something does need to be done, and that the Council is very pro-business and has the spirit of cooperation and wants to work with the business owners. He said that conformity brings good aesthetics. Council member Chotas said he wants to clarify that the City can only enforce the law with the owner, but the owner based on the lease can enforce the business owner to correct.

Richard Brinkman, Brinkman Accounting, said he agrees with what Vince said.

John Moccio, SMD Automotive, said he has a sign in compliance. He said it is only in compliance because he obtained a variance when Gladding-Jackson was working with the City on a Master Plan. He said his ground sign that is in compliance was damaged because the bulbs kept getting broken, and it became too expensive to repair.

Richard Fawcett, said he has been in business for 29 years, but not in Edgewood; however he is an Edgewood resident. He said he didn't think there has been a more proactive Mayor. He agrees that the matter should come back on the table in February. He said he knows Mayor Ray has done his due diligence. He said every time he comes out of Prescott Drive he sees the trees are dead, grass is dead, and it looks filthy. He said when he asked, he is told that the things that look bad on Orange Avenue are the landscaping/vegetation. He said the Mayor is the nicest guy and never seen anyone so proactive.

Richard Brinkman requested that he be given notice of the next meeting when Council addresses the signage again.

City Clerk Meeks asked for attendees to provide email address, noting that their email becomes public record. She said those providing their email address will be given notice of matters regarding signage as they occur.

Council President Beardslee moved to New Business on the agenda specifically, boat dock variance. City Clerk Meeks noted that Engineer Sebaali is in attendance, along with the applicant, Robin, Summertime Docks.

**NEW BUSINESS**

1. **REVIEW AND CONSIDERATION OF REQUEST FOR VARIANCE:**

   BOAT DOCK VARIANCE (Setback) – LAKE JESSAMINE – 5143 CRANES POINT COURT, KEVIN D. AND CAROLYN A. ACCOLA, OWNER – SUMMERTIME DOCKS, CONTRACTOR

Engineer Sebaali reported on the history of the already constructed boat dock, and the request to do maintenance, which will require a variance due to an addition. Engineer Sebaali said that the boat dock will not impact the navigable water. City Clerk Meeks confirmed for Council that there were no objections to the variance, and the Planning & Zoning Board moved forward to Council with the recommendation to approve.

***Council President Beardslee made the Motion to approve the variance request subject to the engineer's conditions, with Second by Council Member Dowless. Unanimously approved.***

Council President Beardslee recognized Robert Baity, from Boy Scout Troop 40. He explained to Council that he is working on his citizenship and community badges.

A. **ORDINANCES – FIRST READING**

1. **ORDINANCE 2012-12** AN ORDINANCE OF THE CITY OF EDGEWOOD, FLORIDA, AMENDING CHAPTER 34, LICENSES AND BUSINESS REGULATIONS, CREATING ARTICLE VI, HERBAL INCENSE AND BATH SALTS; BY ADDING SECTION 34-137, "SALE OR DISPLAY OF HERBAL LICENCENSE AND BATH SALTS"; PROHIBITING THE SALE, DISPLAY OR DISTRIBUTION OF HERBAL INCENSE AND BATH SALT PRODUCTS; PROVIDING DEFINITIONS; PROVIDING FOR PENALTIES; PROVIDING FOR SEVERABILITY, CODIFICATIONS, CONFLICTS, AND AN EFFECTIVE DATE

City Attorney Smith read Ordinance No. 2012-12 in title only.

Attorney Smith in response to the Mayor, said this Ordinance is dealing with City Code, separate from what the State is addressing.

***Council Member Chotas made the Motion to approve the first reading of Ordinance No. 2012-11, with Second by Council Member Dowless.***

Council President Beardslee said that she got a notice from her doctor's office about something that looks like pop rock candy but is a drug, and said be sure to talk to your teenager. Chief Marcus said the City is not the first to find out about new drugs because there is no school within the City, and the City doesn't have the problems that other Cities have. If it becomes a problem, they will get notice. He said he will be happy to check it out.

Council President Beardslee opened to public hearing; there being no comments, the public hearing was closed. .

***The Ordinance passed with the following roll call vote (4/0):***

| | |
|---|---|
| ***Council Member Dowless*** | ***Favor*** |
| ***Council Member Chotas*** | ***Favor*** |
| ***Mayor Bagshaw*** | ***Favor*** |

*Council President Beardslee* *Favor*

Council President Beardslee announced that the second and final reading will be January 15, 2013.

**PUBLIC HEARINGS (ORDINANCES – SECOND READINGS & RELATED ACTION)**

None.

**GENERAL INFORMATION** (No action required)

None.

**CITIZEN COMMENTS**

None.

**BOARDS & COMMITTEES**

**STAFF & COUNCIL REPORTS**

*1. City Attorney*

Announced that "KiKi" (Attorney Kalinet Oded) had her baby, and that-son and mom are both healthy

*2. Mayor Bagshaw*

Reported the following:

- Orange Avenue/Gatlin/Holden Intersection final design going out for bid.
- Mayor Bagshaw said that staff and clients from the Russell Home are coming to Farmers market for Santa Claus' arrival. It was suggested that the school for Autism be invited too.

Concluded his report with saying it's the little things this time of the year, and that he respects the Council and what they do, and wished them Merry Christmas.

*3. Police Chief*

Reported that the Toys For Tots drive had a below average turn out, and an above average amount of gifts. He said the Russell Home received the extra food. He said there was a $1500.00 donation from a business owner that has given in the past. He noted that Holden Avenue was closed for construction work and should re-open this evening. He reported that the police department's re-accreditation will begin on January 8, 2013 and continue through February and into March. He said only five agencies in Orange County are accredited

Chief Marcus said officers contributed to the School for Autism; Council President Beardslee asked the Chief to let the officers know they are appreciated.

*4. City Clerk*

City Clerk Meeks reported on the following:

- Reminded Council of the holiday schedule.
- Reminded Council to email her any questions or comments they have regarding the Comprehensive Plan Amendment.
- Reminded Council of workshop scheduled for January 8, 2013

***Council Member Dowless***

No report.

***Council Member Chotas***

Council Member Chotas reiterated the City Clerk's reminder to provide comments relevant to the Comprehensive Plan Amendment.

***Council President Beardslee***

Council President Beardslee said that City Hall is having issues with getting checks signed. In response to Council Member Chotas, Council President Beardslee said it would be good for Council Member Chotas to be a signer to help in the rotation. She said that what she wanted to talk about is that with Council Member Powell's schedule and her unavailability for a few weeks, she would like to add someone to sign checks. She said she opposes the mayor signing because he approves invoices and spends money. She said she would consider the City Clerk or Police Chief signing checks. Council Member Dowless said he puts it on his calendar to remind him to check to see if he is needed to sign checks. She said she doesn't want to burden staff. Chief Marcus said he did not think it was a good idea for him to sign checks because he promulgates a lot of his own expenses.

As the meeting was closing, Donald Dawson, 616 Vizcaya, inquired about a culvert that water was coming from the street corner of Silvera and Vizcaya. The the mayor said it has been reported to Orange County.

**ADJOURNMENT**

With no further business or comments, on the **Motion of Council Member Chotas, with Second by Council President Beardslee, the meeting was adjourned at 8:14 p.m.**

**ATTEST:**

Judy Beardslee
Council President

Bea L. Meeks, MMC, CPM
City Clerk

**APPROVED BY CITY COUNCIL ON_____, 2013.**

**SunRail IOS D/B**
FPID 412994-4-52-01
**MINUTES**
**MOT COORDINATION MEETING**
**CITY OF EDGEWOOD**
Tuesday December 4, 2012 from 11:30 am – 12:30 pm
Edgewood City Hall | 405 Larue Avenue; Edgewood, FL 32809

A. PURPOSE

The purpose of this meeting is to follow-up on traffic control coordination for the at-grade crossings associated with the SunRail Initial Operating Segment (IOS) Design-Build (DB) Project. The Archer Western/RailWorks joint venture (AW/RW JV) is the contractor, Parsons the designer, and HNTB is the CEI. The scope of work for this project includes double tracking the IOS from Fort Florida Road in DeBary to Sand Lake Road in Orange County; realignment of track in certain areas; signal system upgrades; at- grade crossing improvements; utility relocations; and construction of station platforms.

B. INTRODUCTIONS (Attendees Highlighted)

| PROJECT CONTACTS | | | |

C. MEETING MATERIALS

a. Meeting Agenda
b. SunRail IOS DB Track Maps
c. At-Grade Crossing Plans, Profiles, Traffic Control Plans, and Signing & Pavement Marking Plans
d. Four-Week Look-ahead Construction Schedule

A. CONSTRUCTION SCHEDULE

a. Work has begun on Segment 5 (refer to attached four-week lookahead construction schedule).

b. Priority crossings are highlighted in green. For these crossings, the AW/RW JV has an incentive to complete the crossing within a 27-hour window.

c. Under the Station Finishes Contract, work has begun at the Sand Lake Road station, which was delayed due to additional geotechnical investigation of muck in the area.

B. REVIEW OF AT-GRADE CROSSING DESIGN

**a. Design Revisions / Track Realignment**

The Design team evaluated issues associated with the grade crossing design presented to the City in October 2011, and subsequently revised the design and the track alignment at certain locations along the corridor, see notes in the below table for those locations within the City limits.

| CROSS STREET | CLOSURE RESTRICTIONS FROM TIME | CLOSURE RESTRICTIONS TO | SEGMENT | PROFILE CHANGE | NOTES |
|---|---|---|---|---|---|
| HOLDEN AVENUE (sheet 23) | COORDINATE WITH LOCALS | | 5 | Yes | City noted that HOLDEN AVE is within its jurisdiction.<br>Red Light Cameras are currently in operation at the Holden/Orange intersection.<br>Action Item: Copy of the grade crossing detail to be sent to the City (attached).<br>The profile of the road will be raised slightly |
| JAMAICA LANE (sheet 24) | COORDINATE WITH LOCALS | | 5 | No (East)<br>Yes (West) | Track Alignment to the West, with profile adjustment on the West.<br>Red Light Cameras are currently in operation at the Holden/Orange intersection.<br>No profile adjustment to the East<br>Traffic Control Plans to include a Variable Message Sign (VMS), per City comment.<br>Noise Ordinance Waiver required. |
| STRATEMEYER DRIVE (sheet 25) | COORDINATE WITH LOCALS | | 5 | No | Track Alignment to the West. No profile adjustment required.<br>Noise Ordinance Waiver required. |
| MARY JESS ROAD (sheet 26) | COORDINATE WITH LOCALS | | 5 | No (East)<br>Yes (West) | Track Alignment to the West, with a slight profile adjustment (6 inches) to the West.<br>Design eliminates significant impacts to the East: Orange Avenue and business properties adjacent to the rail line on Mary Jess.<br>Currently, there is no railroad pre-emption (traffic lights change when the railroad crossing gates are lowered for a train to pass). |

**b. Noise and Vibration**

*a.* The track re-alignment will result in the rail line being 15-feet closer to westerly adjacent properties, which in the case of the City of Edgewood Crossings, include residences. With regard to noise and vibration, the following points were noted: The improved rail line will be constructed using continuous joints. Continuous joints, compared with bolted joints, results in a smoother rail line and less vibration. Noise levels will not be reduced; however, freight traffic will be restricted during the hours of 5:00 am – 10:00 am and 3:00 pm – 10:00 pm. Based on its current schedule, up to 9 freight trains will be rerouted from this line each day. *Note: the number of trains operated by CSX is static, and FDOT cannot guarantee that there will not be more freight trains operating on this line outside of the restriction hours.*

*b.* **City of Edgewood Noise Ordinance** – the AW/RW JV must request a waiver from the City to allow construction on the weekends. The request for authorization to work should be sent to Mayor Bagshaw and Bea Meeks. The Code calls for a waiver if residential properties are within 500-ft.; therefore, work Stratemeyer and Jamaica will require a waiver. A waiver will likely be granted based on urgent necessity.

**c. Traffic**

*a.* There is a project to design an upgrade of the Orange Avenue and Holden intersection. The SunRail Construction Engineering Inspector (CEI) to obtain plans for the Designer to ensure no conflicts between the proposed rail improvements and the project.

*b.* Currently, at the Mary Jess and Holden / Orange Avenue intersections there is no railroad pre-emption (traffic lights change when the railroad crossing gates are lowered for a train to pass). Railroad pre-emption will be included as part of the grade crossing upgrades for Mary Jess. Preemption for Holden Avenue is to be determined (action item).

**d. Traffic Control Plans** – Traffic control plans were provided. The City made the following comments:

a. The City should be notified of construction requiring lane/crossing closures 1 week in advance

b. Jamaica Lane – City suggested to include a variable message sign (VMS)

c. City of Edgewood Off-duty police officers recommended. The AW/RW JV should provide a minimum 48-hour notice to Police Chief Marcus.

d. SunRail Public Involvement team to send the City Clerk, Bea Meeks, electronic versions of media collateral in advance of closures.

**e. Signing and Marking** - Signing and marking for the new construction side of each crossing will be replaced per the Manual on Uniform Traffic Control Devices (MUTCD) standards. Signing and Marking on the unimproved side of each crossing will not be replaced.

C. PUBLIC OUTREACH

a. **Construction Outreach** – Prior to construction, the SunRail Public Involvement Consultant (PIC), Jim Martin, canvasses a broad area of a minimum of 2,000 feet, on foot to advise residents and businesses of upcoming activities. Jim will provide the City of Edgewood with electronic copies of media collateral so that it may be shared with the public on the City's website and through other avenues.

b. **Operation Life Saver** – the PIC has been conducting a public safety/awareness campaign called Operation Life Saver since before the beginning of SunRail construction. This program includes presentations to neighborhood groups, at schools, and a presence at special events. Several opportunities for Jim Martin, PIC Public Involvement Specialist, to reach out to the City of Edgewood residents and businesses were identified:

- Toys for Tots – December 15th (11am – 2pm) – Jim to set up a booth
- Food Truck Event – December 20th (5pm – 8pm)
- Cornerstone Charter School –Pioneer Days and/or presentation. Jim will contact Cornerstone.

D. REVIEW OF ACTION ITEMS

a. Parsons to send a copy of the grade crossing detail for Holden Avenue to the City (complete - attached).

b. Parsons to determine pre-emption at Holden (complete – refer to Section B)

c. AW/RW JV to notices of lane/road closures a minimum of 1 week in advance

d. AW/RW JV to contact City Police Department a minimum of 48 hours in advance for off-duty police officers to provide traffic control

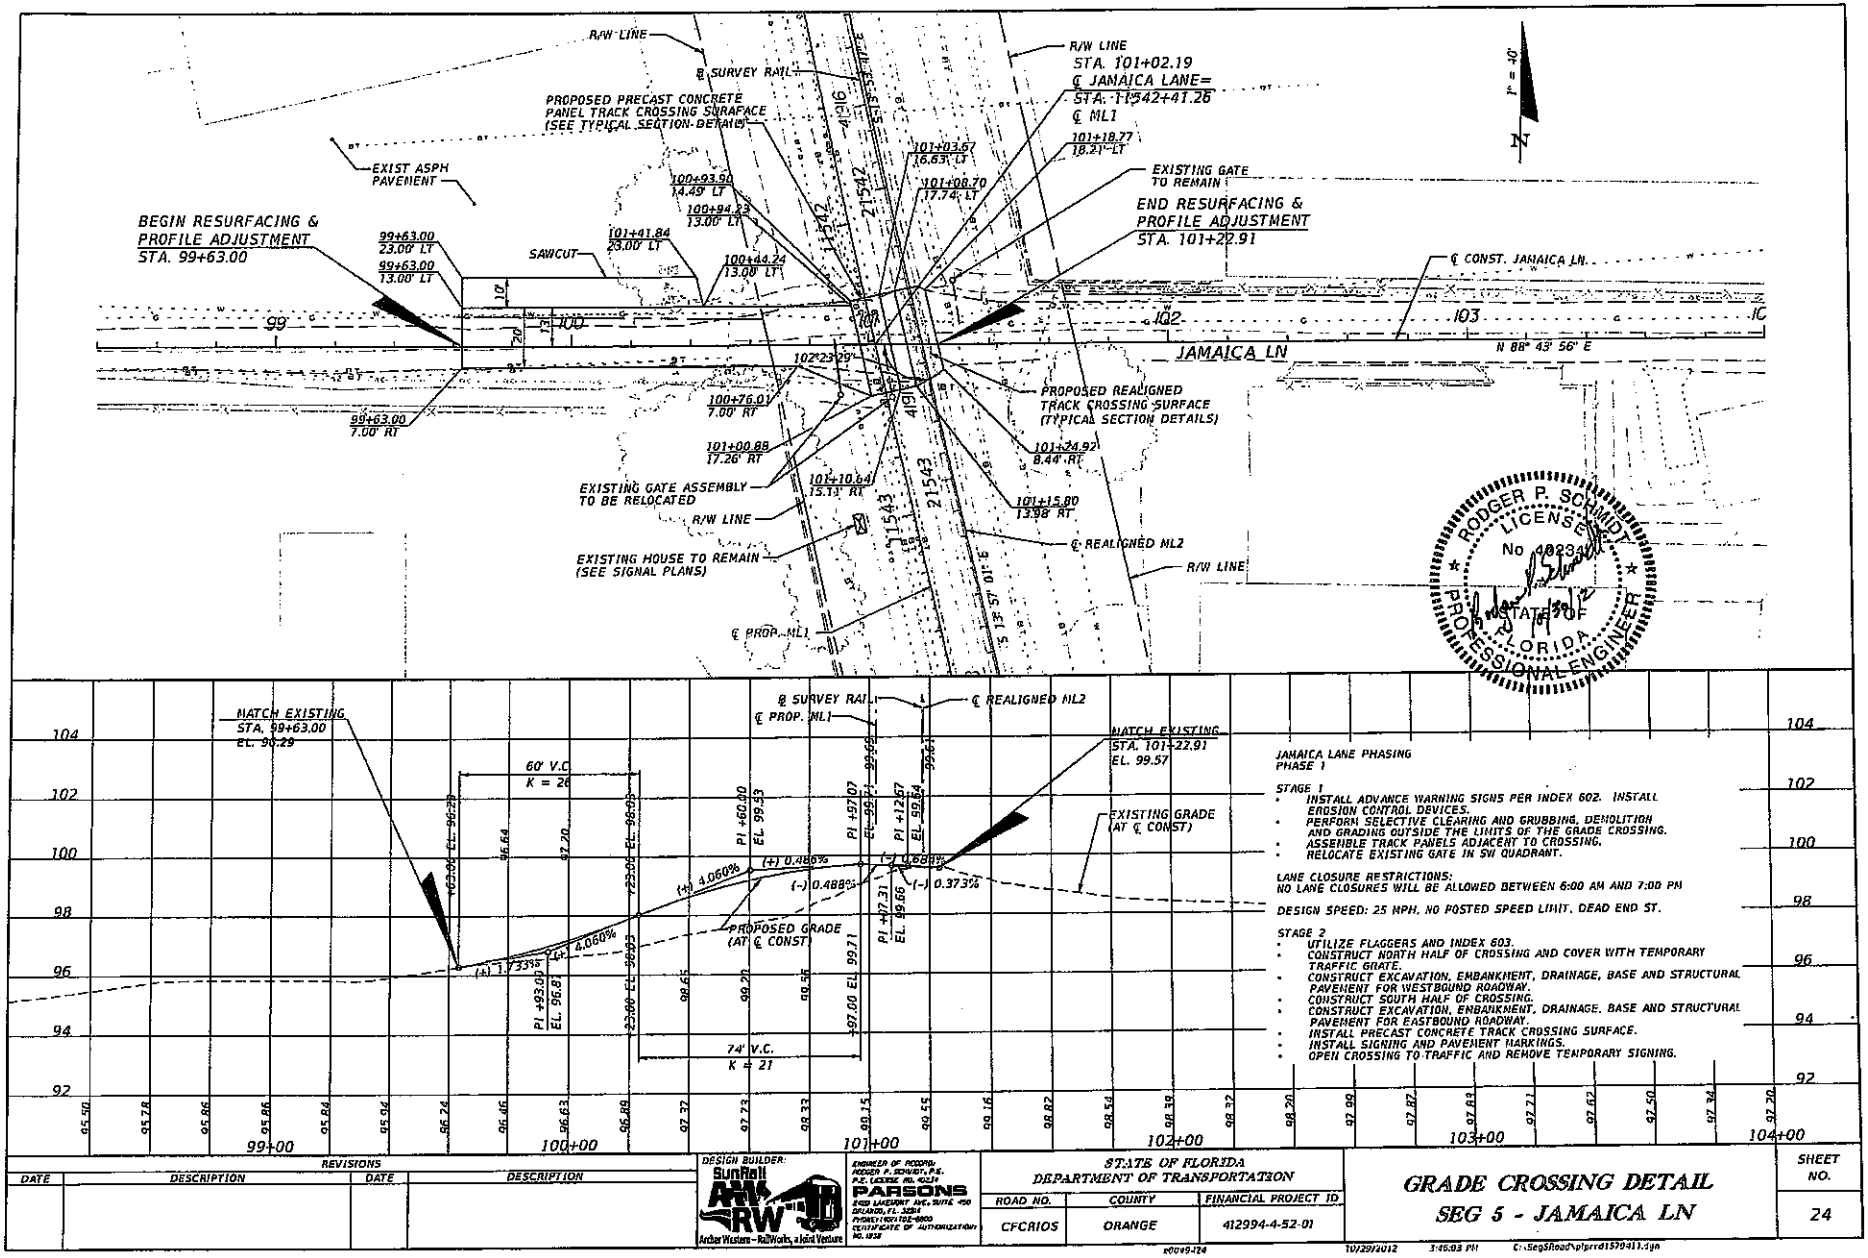
e. AW/RW JV to submit a Noise Ordinance Waiver to allow weekend work at the Jamaica and Stratemeyer crossings

f. CEI to determine if railroad pre-emption is part of the Holden / Orange intersection improvements project

g. PIC to send construction notices and other media collateral distributed to residents and businesses to the City in an electronic format

h. PIC to contact Cornerstone Charter School regarding an Operation Life Saver presentation

i. PIC to maintain a presence at upcoming special events



JAMAICA LANE PHASING
PHASE 1

STAGE 1
- INSTALL ADVANCE WARNING SIGNS PER INDEX 602. INSTALL EROSION CONTROL DEVICES.
- PERFORM SELECTIVE CLEARING AND GRUBBING, DEMOLITION AND GRADING OUTSIDE THE LIMITS OF THE GRADE CROSSING.
- ASSEMBLE TRACK PANELS ADJACENT TO CROSSING.
- RELOCATE EXISTING GATE IN SW QUADRANT.

LANE CLOSURE RESTRICTIONS:
NO LANE CLOSURES WILL BE ALLOWED BETWEEN 6:00 AM AND 7:00 PM

DESIGN SPEED: 25 MPH, NO POSTED SPEED LIMIT, DEAD END ST.

STAGE 2
- UTILIZE FLAGGERS AND INDEX 603.
- CONSTRUCT NORTH HALF OF CROSSING AND COVER WITH TEMPORARY TRAFFIC GRATE.
- CONSTRUCT EXCAVATION, EMBANKMENT, DRAINAGE, BASE AND STRUCTURAL PAVEMENT FOR WESTBOUND ROADWAY.
- CONSTRUCT SOUTH HALF OF CROSSING.
- CONSTRUCT EXCAVATION, EMBANKMENT, DRAINAGE, BASE AND STRUCTURAL PAVEMENT FOR EASTBOUND ROADWAY.
- INSTALL PRECAST CONCRETE TRACK CROSSING SURFACE.
- INSTALL SIGNING AND PAVEMENT MARKINGS.
- OPEN CROSSING TO TRAFFIC AND REMOVE TEMPORARY SIGNING.

# *Mayoral Proclamation*
# *2013*

***HUMAN TRAFFICKING AWARENESS Month***

**WHEREAS,** human trafficking is a form of modern day slavery and is a crime against humanity that violates the most basic human rights and deprives victims of their freedom; and

**WHEREAS,** human trafficking occurs when a person is recruited, harbored, obtained, or exported through force, fraud, or coercion for the purposes of sexual exploitation, forced labor, involuntary servitude, debt bondage and other methods of slavery; and

**WHEREAS,** human trafficking affects as many as 27 million people worldwide, including an estimated two million children who are trafficked for child labor and sexual exploitation; and

**WHEREAS,** human traffickers target men, women, and children, both U.S. citizens and foreign nationals, isolating them from society and supportive networks, and exploiting them for personal and monetary gain; and

**WHEREAS,** victims of human trafficking suffer emotional, psychological and physical horrors at the hands of their captors who instill fear to keep them enslaved; and

**WHEREAS,** human trafficking is the fastest growing criminal enterprise in the world today, and is tied with arms smuggling as the second largest international criminal industry; and

**WHEREAS,** human traffickers view Florida as one of the most attractive destinations and transit points for their victims, and Florida accounts for the third-highest call volume to the National Human Trafficking Resource Center; and

**WHEREAS,** Floridians are committed to protecting the vulnerable and ending human trafficking through continued prevention, prosecution, education and awareness; and

**WHEREAS,** Floridians are committed to sending a strong message to perpetrators that Florida is a zero tolerance state for all forms of human trafficking; and

**WHEREAS,** Floridians are committed to protecting victims' rights, and restoring their dignity and freedom; and

I, Mayor Ray Bagshaw, do hereby extend greetings and best wishes to all observing January 2013 as *Human Trafficking Awareness Month.*

**IN WITNESS WHEREOF**, I hereunto have set my hand and caused the Corporate Seal of the City of Edgewood, Florida, to be affixed and attested to by the City Clerk of the said City this **15th** day of **January, 2013.**

# ORDINANCE NO. 2012-12

**AN ORDINANCE OF THE CITY OF EDGEWOOD, FLORIDA, AMENDING CHAPTER 38, "OFFENSES AND MISCELLANEOUS PROVISIONS", CREATING SECTION 38-4, "SALE OR DISPLAY OF HERBAL INCENSE AND BATH SALTS", PROHIBITTING THE SALE , DISPLAY OR DISTRIBUTION OF HERBAL INCENSE AND BATH SALT PRODUCTS; PROVIDING DEFINITIONS; PROVIDING FOR PENALTIES; PROVIDING FOR SEVERABILITY; PROVIDING FOR CODIFICATION; PROVIDING FOR SEVERABILITY; AND PROVIDING AN EFFECTIVE DATE**

**WHEREAS**, synthetic cannabinoids and other dangerous chemicals are being added to products that mimic the effect of illegal drugs when ingested by humans; and

**WHEREAS**, in 2011, the United States Drug Enforcement Agency exercised emergency scheduling authority to control five (5) identified compounds utilized in synthetic cannabinoids products. The DEA exercised this authority to prevent imminent threat to public health and safety. In 2012, that control order was extended; and

**WHEREAS**, approximately nine (9) states have banned the sale of synthetic marijuana and other states are considering a ban; and

**WHEREAS**, on March 23, 2012, the Governor of the State of Florida signed Session Law 2012-23 (House Bill 1175) which amended *Section 893.03, Florida Statutes*, by adding 142 chemical designations containing hallucinogenic substances as Schedule I drugs for which the purchase, possession, sale, and/or distribution can result in a felony arrest; and

**WHEREAS**, while herbal incense products containing synthetic cannabinoids are marketed and sold as safe and legal alternatives to marijuana, they may be more potent and dangerous than marijuana and are also known to produce the following side effects, which may be severe: headaches, agitation, nausea, vomiting, dangerous hallucinations, loss of consciousness, elevated blood pressure, seizures, paranoid behavior, anxiety, increased heart rate, and even death in some cases; and

**WHEREAS**, according to the American Association of Poison Control Centers, exposure to synthetic marijuana resulted in 2,906 calls in 2010; 6,959 calls in 2011; and 1,901 calls in the first three (3) months of 2012 to poison control centers across the United States; and

**WHEREAS**, across the United States, numerous other municipalities and states have already taken action to prohibit these products and substances due to overdoses and illnesses; and

**WHEREAS**, the long term health effects of these products are unknown as they are not regulated by the FDA, have not undergone human clinical testing and their manufacturing process has no oversight; and

**WHEREAS**, the Florida Legislature has defined controlled substance analogs to exclude compounds containing a controlled substance which are not intended for human consumption, and which are packaged in such form or concentration, or with adulterants or denaturants, so that as packaged it does not present any significant potential for abuse; and

**WHEREAS**, herbal incense products containing synthetic cannabinoids are often sold to minors or to young adults who purchase such herbal incense products for human consumption as they are commonly known as "synthetic marijuana" notwithstanding packaging statements to the contrary; and

**WHEREAS**, such herbal incense products may be more dangerous than controlled substances due to the unapproved and uncertain chemical compounds contained therein; and

**WHEREAS**, the chemical compounds in synthetic cannabinoids are easy to change which allows new substances to be created to circumvent state and federal laws. These new chemical compounds are specifically packaged to avoid classification as a "controlled substance analog" even though they are designed to mimic the effects of illegal drugs; however, they often have other side effects and unknown long term effects; and

**WHEREAS**, the risks associated with the distribution and use of controlled substance analogs are increased because they can be created more rapidly than they can be identified and controlled by Congress or the Legislature; because their unregulated manufacture produces variations in concentration and purity; and because they have been consumed disproportionately by minors and young adults, have dangerous side effects, and have unknown long term effects; and

**WHEREAS**, in January of 2011, the Florida Attorney General deemed "bath salts" containing psychoactive substances to be a significant threat to the health and public safety within the State of Florida; and

**WHEREAS**, the Florida Attorney General has added compounds contained within such "bath salts" to Florida's List of Controlled Substances, a schedule of drugs which makes the purchase, possession, sale and/or distribution a felony; and

**WHEREAS**, *"bath salt"* products are known to produce certain side effects, some of which are quite severe, including, but not limited to, muscle damage, kidney failure, seizures, blood circulation problems, hallucinations, aggression, severe paranoia, and panic attacks; and

**WHEREAS**, the substances contained in *"bath salts"* when ingested, circumvent existing drug laws; such substances being relatively new and not being fully researched; and

**WHEREAS**, *"bath salts"* are among the latest in a series of legal synthetic substances that, when used improperly, offer alternatives to illegal drugs; and

**WHEREAS**, suspected as being produced as legal substitutes for ecstasy, cocaine and amphetamines, *"bath salts"* are powerful stimulate drugs that are suspected that have been designed to avoid legal prosecution and are commonly available on the internet and in specialty smoke shops; and

**WHEREAS**, the distribution and use of herbal incense and bath salt products has a substantial and detrimental impact on the public health, safety and welfare of the residents of the City of Edgewood; and

**WHEREAS**, herbal incense and bath salt products pose public health, safety and welfare issues for the City of Edgewood and it is therefore necessary to identify and control new substances that mimic illegal drugs; and

**WHEREAS,** words with <u>underlined</u> type shall constitute additions to the original text and ~~strike through~~ shall constitute deletions to the original text, and asterisks (* * *) indicate that text shall remain unchanged from the language existing prior to adoption of this Ordinance

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY EDGEWOOD, FLORIDA:**

**<u>SECTION 1.</u>** The foregoing "Whereas" clauses are hereby ratified and incorporated as the legislative intent of this Ordinance.

**<u>SECTION 2.</u>** That Chapter 38, "Offenses and Miscellaneous Provisions", of the Code of Ordinances of the City of Edgewood, Florida is hereby amended by adding Section 38-4, "Sale or Display of Herbal Incense and Bath Salts", as follows:

**<u>Sec. 38-4. Sale or Display of Herbal Incense and Bath Salts.</u>**

(a) Definitions.

For purposes of this section, the following definition shall apply:

*"Bath salts"* means any substance containing a synthetic derivative of cathinone or any substance, whether in crystal, powder, liquid, tablet or capsule form, which the person displaying or offering for sale knows or reasonably should know contains any synthetic stimulant, notwithstanding any disclaimer such as "not for human consumption" and regardless of how the substance is displayed, marketed or labeled, including bath salts, potpourri, or other household products. This definition does not include 1) any pharmaceutical drugs containing synthetic cathinones or other synthetic stimulants approved by the FDA and available with a valid prescription, or 2) traditional bath salts that do not contain synthetic chemical stimulants such as sodium chloride, sea salts, magnesium sulfate (Epsom salts), sodium bicarbonate, and borax. Product packaging that indicates, suggests or implies that a substance mimics the pharmacological effects of cathinone, methcathinone, amphetamines, cocaine or MDMA creates a presumption that the person displaying or offering the substance for sale knows or should know that the substance contains a synthetic stimulant as defined herein.

*"Herbal incense"* means aromatic plant material, containing synthetic chemical compounds or to which any synthetic chemical compound has been added that mimic the effects of a controlled substance, that is displayed, sold, or distributed in a loose, leafy, powder or granular form, or in compressed blocks that can be easily crushed to result in a powder or granular form, and can be placed into pipes, cigarette papers or other drug paraphernalia for ingestion by smoking, inhaling or other methods.

(b) Sale, display, or distribution prohibited. It is unlawful for any person or entity to sell, offer for sale, display or distribute Herbal Incense or Bath Salts within the City.

(c) Enforcement. This section may be enforced by the City in any manner, consistent with Chapter 2, Administration, Article VII, Code Enforcement of the City of Edgewood Code of Ordinances, Chapter 162, Florida Statutes or any other manner authorized by law.

**SECTION 3. SEVERABILITY.**

If any provision of this Ordinance or the application thereof is finally determined by a court of competent jurisdiction to be illegal, invalid or unenforceable, such provision shall be deemed to be severable and the remaining provisions shall continue in full force and effect provided that the illegal, invalid or unenforceable provision is not material to the logical and intended interpretation of this Article.

**SECTION 4. CODIFICATION.**

It is the intention of the City Council of the City of Edgewood, Florida, and it is hereby ordained that the provisions of this Ordinance shall become and be made a part of the Code of Ordinance of the City of Edgewood, Florida; that the Sections of this Ordinance may be renumbered or re-lettered to accomplish such intention; that the word, "Ordinance" may be changed to "Section," "Article," or other appropriate word.

**SECTION 6. CONFLICTS.**

All ordinances or parts of ordinances in conflict with this Ordinance are hereby repealed.

**SECTION 7. EFFECTIVE DATE.**

This Ordinance shall take effect immediately upon its passage and adoption.

FIRST READING: December 18, 2012

SECOND READING: January 15, 2013

PASSED AND ADOPTED this _____ day of _____, 2013.

Bea L. Meeks
City Clerk

**Sec. 88-1. Authority.**

The City is hereby authorized to assess and collect fees, deposits, costs and expenses relating or pertaining to the review, inspection and regulation of development related activities pursuant to this chapter.

**Sec. 88-2. Definitions.**

The following words, terms, phrases, when used in this chapter, shall have the meanings described to them in this chapter, except where the context clearly indicates a different meaning.

*Applicant* shall mean and refer to an owner or an owner's authorized agent who submits an application, proposal, petition or project to the City.

*Application* shall mean and refer to an application, petition or proposal submitted to the City pertaining to development for which City approval is required, including, but not limited to the review or approval of:

(i) A preliminary subdivision plan,

(ii) A subdivision plan or plat, including any revisions to a previously approved or existing subdivision or plat,

(iii) An annexation and initial zoning,

(iv) A rezoning (with or without a comprehensive plan amendment),

(v) A comprehensive plan amendment,

(vi) A variance,

(vii) A special exception,

(viii) A planned unit development,

(ix) A transfer of development rights,

(x) Determination of vested rights or subdivision review exemption,

(xi) Concurrency determination,

(xii) Concurrency capacity reservation.

(xiii) A development of regional impact,

(xiv) Site plan,

(xv) A sketch plan,

(xvi) A development permit for construction, inspection or testing of subdivision improvements,

(xvii) A determination of development of regional impact (DRI) status,

(xviii) Conceptual site plan review,

(xix) Stormwater management,

(xx) Tree permit,

(xxi) Wetland alteration permit,

(xxii) Wellfield protection zone permit,

(xxiii) Development order, a development agreement,

(xxiv) Lot splits, or

(xxv) Matters relating to the issuance of an occupational license.

*City consultant* shall mean and refer to those companies, private consultants, governments, individuals or other entities under contract with the City to provide services to or for the City or who provide services to or for the City or who provide technical or legal expertise to or for the City, including but not limited to, attorneys, engineers and surveyors.

*City staff* shall mean and refer to City employees.

*Total development review amount* shall mean and refer to the combination of the flat fee established pursuant to section 88-8 and the review deposit to be paid by an applicant pursuant to Section 88-3.

*Owner* shall mean and refer to an owner or group of owners of fee simple title to a particular lot, tract, or parcel of real property.

*Owner's authorized agent* shall mean and refer to an agent of the owner duly authorized to submit and process an application. If the applicant is not the property owner, a proper authorization must accompany the application. Such authorization shall be evidenced by a power of attorney signed by the owner and notarized specifically authorizing the agent to represent the owner in connection with the application and as to the owner's real property which is the subject of the application. The authorization shall include an agreement of the owner to be bound by the actions of the owner's authorized agent and the provisions of this chapter.

*Review deposit* shall mean and refer to the review deposit, as established by this chapter and as established from time-to-time by ordinance of the City Commission, to be paid by an applicant at the time of the filing of an application pertaining or related to subdivision plats, development agreements, planned unit developments, a development of regional impact or, upon good cause shown, such other development related application as determined by the City Manager.

**Sec. 88-3. Review deposits.**

(a) *Required review deposits.* In addition to the flat fee required pursuant to section 88-8 a $2,000.00 review deposit, payable to the City of Maitland by money order, personal or company check or cashier's check drawn on a financial institution authorized to do business in Orange County, Florida, shall be delivered to and collected by the City at the time of submission of each application for review or approval pertaining or related to a subdivision plat, development agreement, planned unit development, or a development of regional impact. Said review deposit shall be utilized by the City to reimburse the City for the actual costs paid by the City incurred as a result of the development activity.

(b) *Other development related applications.* Upon good cause shown, a review deposit, in an amount determined by the City Manager, paid as set forth above in subsection 88-3(a), shall be delivered to and collected by the City at the time of submission of such other development related application as determined by the city Manager. The following factors, by way of example not limitation, may be considered to support a finding of good cause for the imposition of a review deposit during the review and approval of a development related application and for establishing the appropriate review deposit amount: information provided by the City staff and applicant, the complexity and scope for the development related application and project, the payment history of the applicant as it pertains to past dealings with the City, and the expected involvement of City consultants.

c) *Waiver of review deposits.* In all cases, the City Manager may waive the requirement of a review deposit if, based upon information from City staff and the applicant, the amount of the fees, costs and expenses relating to the review, processing, inspection and regulation of such, as estimated by the City Manager, will not exceed the flat fee. No review of an application pertaining or relating to subdivision plats, development agreements, planned unit developments, a development of regional impact or, upon good cause shown, such other development related application as determined by the City Manager, shall commence until the flat fee and review deposit, if applicable, is paid. The total development review amount shall be forwarded to the City finance director prior to the end of the second business day following the submittal of said application for review or approval. The balance of the review deposit, if any, shall be returned to the applicant as provided for in section 88-4. No interest shall be paid on any review deposit on account with the City.

**Sec. 88-4. Project account.**

Once an application pertaining or relating to subdivision plats, development agreements, planned unit developments, a development of regional impact or, upon good cause shown, such other development related application as determined by the City Manger, has been submitted to the City and the applicable total development review amount has been collected, the City finance director or his designee shall establish an individual project account through which all fees, expenses and costs incurred by the City which are associated with the applicable application will be monitored. The project account will be maintained throughout the entire review, processing, inspection, and regulation process until the later of:

(i) Final action (after all appeal periods have run) by the City Commission has occurred with respect to the application;

(ii) No further significant involvement of the City staff or City consultants is expected to occur;

(iii) The City has been paid all of the amounts due under this chapter and the City Code; or

(iv) The expiration of any warranty period associated with the conveyance or dedication of improvements to the City.

Fees, costs and expenses for the City consultant time directly related to the review, processing, inspection or regulation of any application or development pursuant to this chapter, the City Code and State Statutes and directly related expenses, including, but not limited to, advertising, legal, inspection and engineering costs are to be charged to the project account.

**Sec. 88-5. City invoices.**

(a) *Payment.* The City finance director or his designee may periodically total the costs, expenses and fees incurred by the City for each application for which a review deposit is required and project and send an invoice to the applicant for payment. The applicant shall have ten (10) days from the date of the invoice to pay to the City the invoiced amount. Thereafter, if payment is not received in the required time, the City finance director or his designee shall apply the review deposit toward payment of the invoiced amounts. If the total costs, expenses and fees incurred by the City for an application for which a review deposit is required and project exceed the review deposit and payment is not received in the required time, the City finance director or his designee shall apply the review deposit to a portion of the invoiced amount and send a notice of nonpayment to the applicant and to all City staff and City consultants associated with the applicable application or project informing the applicant, City staff and City consultants to cease all work relating to such unless and until further notified by the City finance director or his designee.

If payment of the balance of the invoice is not received within the required time, then work by the City staff and City consultants shall cease and will not be reactivated on the

applicable application or project and neither building permits, certificates of completion nor certificates of occupancy will be issued with respect to such or the real property related to such until such time as all outstanding fees, costs and expenses due under this chapter and the City Code are paid in full and a new review deposit for said application or project, in an amount determined by the City Manager, is paid to the City. Review of any future application or project with respect to the real property for which payment was not made will not be undertaken by the City until such time as all outstanding fees, costs and expenses due under this chapter are paid in full and a new review deposit paid to the City.

(b) *Code enforcement action for past-due invoices.* After project approval, unless otherwise provided for in this chapter, if an applicant receives or is granted approval on an application or project or is issued a building permit, certificate of completion, certificate of occupancy, occupational license or other developmental order by the City and thereafter incurs additional fees, costs and expenses or such other fees, costs and expenses attributable to the application are thereafter posted to the project account for work performed associated with said approval or issuance, the applicant or his successor in interest shall pay said costs, fees and expenses incurred by the City for such application within ten (10) days from the date of the invoice. Failure to pay the invoiced amount within the requested time shall constitute a violation of this chapter. If payment is not received in the required time and there is not a review deposit which can be applied toward payment of the invoiced amount, the City finance director shall notify the code inspector to initiate code enforcement proceedings pursuant to article II of Chapter 2 of the Winter Garden Code of Ordinances.

(c) *Deficiency and liens.* Any deficiency owed to the City whether incurred before or after project approval, shall bear interest from the date of the aforementioned notice of non-payment at the rate of 18 percent simple interest per annum until paid. The amount of any such deficiency owed to the City shall, together with interest and the costs of collection as hereinafter provided, be the personal obligation of the applicant and shall be a continuing lien on the real property related to the application or project under review. Any subsequent or new owner of the real property related to the application or project shall take title subject to the obligations of the applicant under the terms of this chapter and shall be jointly and severally liable for such obligations. An applicant may not escape liability for the deficiency by abandonment of the application or project, withdrawal of such or sale of the real property with respect to which such has been submitted. If the initial or subsequent invoices are not timely paid and the invoiced amount exceeds the amount of the review deposit, the City may take whatever legal means it deems appropriate to collect the deficiency, including, but not limited to, retaining the services of a collection agency or attorney, initiating legal proceedings for the collection thereof, recording a notice of lien as hereinafter provided, and foreclosing same in the same manner as mortgage liens are foreclosed. To give the public notice of the deficiency, the City may (but shall not be obligated to) record or cause to be recorded a Notice of Lien in the Public Records of Orange County, Florida, stating the description for the real property related to the application or project, the name of the owner of the real property and the amount then due and owing to the City.

**Sec. 88-6. Required payments.**

Payment of costs, expenses and fees incurred by the City under this chapter is a requirement for the City's final approval of the application and project.

**Sec. 88-7. Assessable costs, expenses, and fees.**

All direct costs, expenses and fees incurred by the City relating directly to the review, processing, inspection, or regulation of an application, including but not limited to, the time of City consultants, as well as those relating directly to, advertising, surveying, legal and engineering for an application or project shall be reimbursed to the City by and assessed to the applicant.

(1) City staff may submit records of their time, fees, costs and expenses expending on applications or projects to the extent such fees, costs and expenses exceed the applicable flat fee, to the City finance director or his designee for invoicing by the City finance director or his designee. City staff's hourly rates shall be invoiced to the applicant at such rate to the extent such fees, costs and expenses exceed the applicable flat fee.

(2) City consultants shall submit records of their time, fees, costs, and expenses to the City finance director and such fees, costs and expenses shall be invoiced to the applicant on a dollar for dollar basis for services provided to or for the City as a result of an application. All fees, costs, and expenses invoiced by City consultants, in addition to the applicable flat fee, are the responsibility of the applicant.

**Sec. 88-8. Fee, permit and cost reimbursement collection and schedule.**

The site plan review fees, platting review fees, zoning plan amendments, other permits associated with development of property fees and advertising costs, respectively located below in subparagraphs (1), (2), (3) and (4), as such may be amended from time to time, establish the flat fee for the matters referenced therein, which flat fees in addition to any review deposit required pursuant to section 88-3 shall be paid by the applicant to the City upon submittal of any application to the City. The City shall ensure the required flat fee is collected, and, if applicable, the review deposit is posted to an account for said application. The City finance director or his designee shall also notify the City manager or appropriate City staff or the applicant's proof of payment of the flat fee and, if applicable, the posting of the review deposit.

Should the City Manager or his designee determine that the required review deposit for an application is inadequate to cover the reasonably anticipated fees, costs and expenses to be required by the City, the City Manager shall direct the City finance director or his designee to increase the minimum deposit to the minimum extent necessary to cover such reasonably anticipated fees, costs, and expenses. The flat fees are established as follows:

(1) *Site plan review fees.*

a. Communication antenna site plan approval.

1. New communication tower greater than or equal to 35 feet in total height: $1,000.00.

2. New antenna less than 35 feet in total height: $200.00.

3. Alteration of an existing antenna, alteration plus building permits, special exception (if required) and/or variance fees (if required): $200.00.

b. De minimis industrial or commercial site plan review (less than 300 square feet of building or 500 square feet of impervious surface). No flat fee required (considered part of building permit fee).

c. Major industrial, commercial, or institutional site plan approval (the addition of greater than 4,000 square feet of building or 5,000 square feet of impervious space.

1. Site plan review fee: $200.00, plus $20.00 per 1,000 square feet of the total of both building area and impervious surface.

2. Site inspection fee: an additional fee of one and one-half percent of the cost of the improvements, including, but not limited to, materials, labor, and construction of the site (parking areas, lighting, landscaping, stormwater retention areas, and water and sewer utilities) or $200.00, whichever is greater, will be collected prior to the time of the issuance of building permits.

d. Minor industrial, commercial, or institutional site plan approval (all site plans smaller than a major industrial or commercial site plan review but greater than a de minimis industrial or commercial site plan review). The site plan review fee and inspection fee shall be $200.00 each.

e. Multi-family site plan review.

1. Site plan review fee: $300.00, plus ten dollars ($10.00) per unit.

2. Site inspection fee: An additional fee of one and one-half percent of the cost of construction of the site improvements (parking areas, lighting, landscaping, stormwater retention areas, and water and sewer utilities) or $200.00, whichever is greater, will be collected prior to the time of the issuance of building permits.

f. Single-family residential. No site plan review fees are required, except for platting fees.

2. *Platting review fees.*

a. *Preliminary plat review fees.* The fee for plans review shall be $250.00 plus ten dollars per residential lot, five dollars per nonresidential lot.

b. *Plat construction plan review.* $500.00, plus two dollars per residential lot; ten dollars per nonresidential lot for the first two revisions. An additional ten dollars per residential lot or $30.00 per nonresidential lot will be charged for each successive revision.

c. *Plat infrastructure inspections.* One and one-half percent of the construction cost of the infrastructure to include but not limited to roads, stormwater facilities, water facilities and wastewater facilities to be paid prior to final plat approval.

d. *Final plat review.* The fee shall be $250.00, plus ten dollars per residential lot, five dollars per nonresidential lot plus actual City consultant review cost, fees and expenses and recording fees.

e. *Addressing and signage fees.* The applicant will be responsible to reimburse the City for any addressing and signage fees.

3. *Zoning, plan amendments, and other permits associated with development of property fees.*

a. Adult entertainment establishments (development of): See chapter 10 titled amusements and entertainment.

b. Annexation, infill (annexation of infill lot of five acres or less): No fee.

c. Annexation, large scale (annexation of a lot or parcel greater than five acres): $400.00.

d. De-annexation: $2,500.00.

e. Appeal to the planning and zoning board of an administrative interpretation: $25.00.

f. Appeal to the City commission of a decision made by the planning and zoning board: $300.00.

g. Building permits: As identified in Resolution No. 96-09 as amended.

h. Comprehensive plan amendment, small scale and in conjunction with an infill (annexation less than five acres): No fee.

i. Comprehensive plan amendment, small scale and not in conjunction with an infill (annexation less than five acres): $700.00.

j. Comprehensive plan amendment, large scale or text amendment: $1,000.00.

k. Concurrency review: No fee.

l. Development of regional impact (DRI) review: $8,000.00, plus all other associated development review fees (i.e., platting, annexation, comprehensive plan amendment and site plan review) plus City consultant fees, costs and expenses.

m. Development agreement: Actual City consultant fees, costs and expenses.

n. Impact fees: As identified in chapter 42 of this Code.

o. Lot clearing not associated with any other development permit:
Residential (per lot): $25.00.
Non-residential (per lot: $100.00.

p. Planned unit development (PUD):
Rezoning: $750.00.00.
Amendment: $750.00.

q. Rezoning in conjunction with an infill annexation five acres or less: No fee.

r. Rezoning not in conjunction with an infill annexation five acres or less: $500.00.

s. Special exception or conditional use permit:
For-profit business: $500.00.
Not-for-profit business: $200.00.
Extension of permit: $200.00.

t. Tree removal permit, per lot or parcel: $10.00.

u. Variance request:

For single-family residential additions and substandard lots (per variance request): $100.00.

For all other variances (per variance request): $75.00.

v. Vacation of public property (plus City consultant fees, expenses and costs): $250.00.

w. Identification of all non-conforming:
Characteristic letter (existing development): $300.00.

x. Lot split: $100.00.

y. Open air vendor permit: $250.00.

4. *Advertising costs.* Applicants shall be required to reimburse the City for actual costs, expenses and fees incurred by the City relating directly to any advertising associated with an any application, including but not limited to notices, posting, mailings and postage.

5. *Waiver of flat fees.* An applicant may request that the City commission, or the planning and zoning board if the applicable development related activity and application will not be brought before the City commission, waive the flat fee requirement. Prior to such waiver, a finding of good cause for the waiver must be made by the City commission (or planning and zoning board). By way of example, not limitation, the following may be considered in order to support a finding of good cause: the waiver of the flat fee will further a legitimate City objective or the associated development related activity is directly beneficial to the City.

**Sec. 88-9. Objections/appeal.**

Any objection to any invoice or to any matter set forth in this chapter must be set forth in writing addressed and delivered to the City Manager on or before ten (10) days after the date of the relevant invoice. In the event the City Manager denies the objection or request, the applicant shall have ten (10) days after the date of the City Manager's written decision to file an appeal of such decision with the City Clerk or his/her designee, which appeal shall be heard by the City commission. All objections and appeals shall set forth in detail the reasons and evidence upon which the objection and appeal are based. Failure of the applicant to establish beyond a preponderance of the evidence that an invoice, decision or other matter objected to or appealed is not appropriate and is not based upon competent substantial evidence, shall result in a denial of the objection and appeal.

**Sec. 88-10. Attorney's fees in the event of failure to pay review costs.**

In the event the City is required to enforce this chapter, then the City shall be entitled to recover from the applicant all costs and expenses incurred, including but not limited to its reasonable attorneys' fees, paralegal fees and other costs and expenses, whether incurred prior to, during or subsequent to court proceedings or on appeal.

**Sec. 88-11. Change of ownership.**

An applicant shall provide prompt written notice to the City Manager in the event of a change in ownership of all or a portion of a lot, tract, or parcel of real property with respect to which an application, or project is pending before the City. Such notice shall be on a form approved by the City and shall include the name, address and phone number of the new owner and a legal description of the lot, tract or parcel of real property now owned by the new owner. Any such new owner (i) shall not be entitled to utilize or draw upon any review deposit previously paid to the City by the original applicant, (ii) shall be liable to the City for all fees, costs and expenses related to the lot, tract or parcel of real property which arise subsequent to the date the new owner acquires title to such real property, and (iii) may be required by the City to pay a separate review deposit in the same manner as a new application in which case a separate project account will be opened in the name of the new owner or the new owner's authorized agent. If a separate review deposit is required, no work shall be undertaken by the City with respect to the lot, tract or parcel of real property than owned by the new owner until a separate review deposit is paid to the City. Until such time as the City receives such written notice of a change in ownership, the original applicant shall be jointly and severally liable to the City for all fees, costs and expenses associated with the application or project which may subsequently be incurred by the City in connection with the activities of the new owner; provided, however, that upon receipt by the City of such a notification of change of ownership, the original applicant shall no longer be liable to the City for fees, costs and expenses incurred by the City which arise solely out of the application or project of the new owner and the new owner shall be solely liable to the City for all such fees, costs and expenses associated with the application or project activities of the new owner or the new owner's authorized agent subsequent to the date of receipt by the City of such notification.

**Sec. 88-12. Agreement to be bound by this chapter.**

Execution of an application shall constitute the consent and agreement for the applicant and the owner, if the application is being executed by the owner's authorized agent, to be bound by the provisions of this chapter.

**Sec. 88-13. Amendments.**

This chapter shall periodically be reviewed and may be amended by ordinance.

**Sec. 88-14. Additional fees for road, drainage, water, or wastewater facilities site inspection.**

Except in the event of an emergency, no road, drainage or water or wastewater utility installation shall be performed (1) before sunrise and after sunset, (2) nor between the hours of 5:00 p.m. and 7:00 a.m., (3) nor on Saturday and Sunday and (4) nor any holiday of the City. "Regular working hours" shall be between 7:00 a.m. and 5:00 p.m. and shall be established by the City at the pre-construction meeting and shall not exceed eight hours per day and 40 hours per week. If construction or maintenance work for the roads, drainage or water and wastewater utilities requires operations during other than regular working hours, the contractor shall obtain written permission of the City at least 48 hours in advance of starting such work, and shall set

forth the proposed schedule for overtime to give the city ample time to arrange for their personnel to be at the site of work. The contractor shall be invoiced and pay for all additional charges to the City on account of such overtime at the rates, as established from time to time by the City Manager. Work on weekends shall be charged a four-hour minimum. Such additional charges shall be a subsidiary obligation of the contractor and no extra payment shall be made by the City on account of such overtime work.

## ARTICLE VI. - FEES

Sec. 2-183. - Establishment; billing of certain expenses.
Secs. 2-184—2-204. - Reserved.

### Sec. 2-183. - Establishment; billing of certain expenses.

(a) All fees charged by the city are set by resolution and shall be on file in the clerk's office.

(b) Any costs incurred by the city during any review, inspection, permitting or approval process, including, but not limited to, site plans, subdivision plans, plat approvals, variances or land use improvements including, but not limited to, comprehensive plan amendments; zonings and rezonings; special exceptions; building and/or uses of land connected with occupational license application; advertising and recording of notices or documents; and such other costs that the city may incur in rendering services to individual applicants or permittees who receive benefit of city services whether or not properly initiated or completed, shall be charged to such individuals in amounts set by resolution of the city council. These costs shall be paid to the city before any hearings are set or approvals, permissions, acceptances or permits are issued as applicable and shall be collectible by any and all lawful means including, but not limited to, liens on real and personal property.

**RESOLUTION NO. 2010-01**

**A RESOLUTION OF THE CITY OF EDGEWOOD, FLORIDA RESTATING RESOLUTION NO. 2010-01 ESTABLISHING FEES FOR VARIOUS CITY SERVICES AND AMENDING SAID RESOLUTION BY ESTABLISHING A NEW PERMIT FEE FOR ADMINISTRATIVE AND ZONING APPROVAL SECTION 2-183 OF THE *CODE OF ORDINANCES;* PROVIDING FOR CONFLICTS AND SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE**

**WHEREAS**, the City of Edgewood may incur costs during the review, permitting and/or approval process relative to permitting; and

**WHEREAS**, the intent of this resolution is to establish fixed fees to be paid when a permit application is initially submitted; and

**WHEREAS,** City Council adopted Resolution No. 2006-07 establishing fees for various city services on May 2, 2006; and

**WHEREAS,** City Council adopted Resolution No. 2009-07 restating the City's fee schedule and amending said resolution to provide a fee for a special events permit on December 15, 2009; and

**WHEREAS,** City Council adopted Resolution No. 2009-07 restating the City's fee schedule and establishing a new permit fee for various signs of a temporary nature; and

**WHEREAS,** City Council adopted Resolution No. 2011-02 restating the City's fee schedule and amending the fee for live scan fingerprinting fee ; and

**WHEREAS,** City Council wishes to once again, restate its fee schedule and amend Resolution No. 2011-02 by establishing an administrative and zoning fee for review and approval of zoning associated with land use and all building permit applications; and

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF EDGEWOOD, FLORIDA,** as follows:

Section 1. The following fee schedule is hereby established (Note: deletions are identified by ~~strikethrough~~ and additions are identified by underline.):
