RE: Tentative Millage & Budget

DATE: July 31, 2014

In the regular City Council meeting held on July 14, 2014, Council unanimously approved the tentative ad valorem millage rate at 5.7000. Using the approved tentative millage rate, the budget you are considering in the August 12, 2014 budget workshop is based on 5.7000 mills. In reviewing the proposed budget, you will note that it is not a balanced budget. Council should consider utilizing the city's revenues that are in excess of the maximum 75% required by Charter to establish a balanced budget.

The following highlights the proposed budget:

Millage Rate Calculations

MILLAGE	AMOUNT	TOTAL REVENUES @ 95%
4.7000	\$ 275,755,231.00	\$ 1,231,247.11
5.2330	\$ 275,755,231.00	\$ 1,370,875.77
5.7000	\$ 275,755,231.00	\$ 1,493,214.58

Each millage rate must include at least 95% ad valorem proceeds in the budget: Line 4
 (DR420 x .95 x Tentative/Advertised Millage = Minimum Requirement)

Roll Back Rate Calculations

CURRENT YEAR AGGREGATE TENTATIVE MILLAGE RATE	CURRENT YEAR AGGREGATE RBR	REPRESENTS INCREASE	INCREASE
4.7000	4.5590	0.030927835	3.09%
5.2330	4.5590	0.147839438	14.78%
5.7000	4.5590	0.250274183	25.03%

$$[(\text{current year aggregate tentative millage rate} \div \text{current year aggregate RBR}) - 1.00] \times 100 = \% \text{ change RBR}$$

Taking into consideration the proposed millage rates, and the ad valorem revenues, along with the roll back rate calculations, you have some guidance in establishing a balance budget.

Revenues

The revenues that the City receives from the State have been calculated at ninety-five percent. With the passing of Ordinance 2014-03 and Resolution 2014-06, a line-item has been added to the revenues for "Estate Sales".

Expenses

In preparing the budget, the current fiscal year general ledger was used as a guide for a history of the City's expenses, to determine an appropriate amount for the 2014/2015 fiscal year budget. You will note that the Police Department combined some expenses (please see comparison sheet provided). The fee for the County's dispatching services was moved to

contracts. Also moved to contracts was the alarm monitoring system and janitorial services for City Hall and the Police Department.

Historically, a major portion of the City's expenses are personnel; the same holds true with the current proposed budget. As usual, insurance rates were not available during the preparation of the *draft proposed budget* therefore, the amounts you see for insurance is based on a 16% increase. After completion of the proposed budget, the renewal rates for vision and dental were provided; they are under the 16% increase. Hopefully, all other insurances will be under the proposed 16% increase. We should have this information for the final budget. Personnel expenses also include \$2000.00 health reimbursement funds (HRA); the current total expense is \$30,000. Currently, **all employees**, including employees that are not on the City's health insurance plan, receive this benefit.

You will note in the Police Department's budget a line-item for "Police Vehicles/Equipment" in the amount of \$50,000. Chief Francisco requested additional vehicles in the June 17, 2014 meeting; Council approved the purchase of a vehicle in this meeting (budget amendment forthcoming). Chief Francisco explained to Council in that meeting that he would be requesting another vehicle in the 2014/2015 fiscal year budget. The budget for the sworn personnel also includes the annual salary for two additional officers (\$118,352).

One of the difficulties in preparing the budget was determining the revenues and expenses for red light citations. The City is steadily seeing a decline in this revenue, and if the lights continue to serve the purpose for which they were installed, the decline will continue. Please note the following expenses related to the red light cameras (exclusive of legal representation):

. The following explains the disbursement of this fee (\$158.00) under Florida Statute 316.0083(3) (b):

- \$70 shall be remitted by the county or municipality to the Department of Revenue for deposit into the General Revenue Fund
- \$10 shall be remitted to the Department of Revenue for deposit into the Department of Health Emergency Medical Services Trust Fund
- \$3 shall be remitted to the Department of Revenue for deposit into the Brain and Spinal Cord Injury Trust Fund
- \$75 shall be retained by the county or municipality enforcing the ordinance enacted pursuant to this section.

GATSO (Rental Agreement): \$13,800 monthly x 12 = \$165,600.

The proposed budget shows the revenues and expenses for red light citations as a wash.

In the June 17, 2014 City Council meeting, Council approved a donation in the amount of \$685.00 for the Friends of Cypress Grove Park ("Friends"), and indicated the 2014/2015 FY budget would include \$3500.00 for another donation to the "Friends". These funds were included in the proposed budget.

In preparing the Comprehensive Plan Amendment, a ⁱ5-Year Capital Improvement Projects list was incorporated into the Amendment (see attached list). For this reason, the proposed budget includes \$425,000 for roads and streets.

In considering how you will address balancing the budget, please note that in the April audit presentation given by Tom Reilly, he noted that the City's unrestricted reserve exceeded ⁱⁱ75% of the City's gross annual revenues. As you know, per the ⁱⁱⁱCity Charter, unrestricted reserves *shall* not exceed 75% of the gross annual revenues. Auditor Tom Reilly said that Council can assign or commit certain funds before the end of the year to comply with the 75%.
