**RE:** Consent Agenda RE: Gatlin-Orange Avenue Project

---

As you may recall, in the March 18, 2014 regular City Council meeting, it was the consensus of Council for the Mayor to move forward in working with the County on the Gatlin-Orange Avenue project. The Mayor explained to Council in this meeting that the City's portion would be approximately \$150,000 (see excerpt from 3/18/2014 City Council Minutes). As the project continues to progress, the Mayor has been requested to obtain a memorialized formal approval from Council to show that funding is approved by the City for this project. Additionally, the project is estimated to be \$175,000 due to added lighting to the intersection. With your vote to approve this consent agenda item in favor of funding this project, the Mayor can show that Council approved the funding to allow him to continue working with the County and FDOT on this project.

**3/18/2014 City Council Minutes:** Mayor Bagshaw said that he and Council Member Drummond have been working together on the improvements to the Gatlin and Orange Avenues intersection. He said to move the project forward, Council needs to decide on an upgrade of the mast arms; the City's portion would be approximately \$150,000. Council Member Drummond says there needs to be a demarcation so that when you come into the City, you know you are in the City. ***Consensus of Council to move forward.***

**RE:** First Budget Hearing

---

Attached is your agenda packet for the first budget hearing. You will be considering the millage rate and budget for the 2015/2016 fiscal year. As directed in the budget workshop held on August 26, 2015, the ad valorem and tangible tax revenues will be based on 4.9500 mills

As you know, there is specific language to use when a Council Member makes a Motion to approve the millage. Please note the following:

Approval of Millage

***I move to adopt Ordinance No. 2015-06 setting the City of Edgewood's millage rate for Fiscal Year 2015/2016 at 4.9500 mills which represents a 11.07 percent increase over the roll-back rate of 4.4568 mills.***

Regarding the budget, I am providing you with a copy of the proposed Resolution however; you will not be approving the Resolution until the final hearing on September 21, 2015. Council will be considering the budget included in this agenda packet in the September 21, 2015 Special Council meeting, for approval at that time.

Regarding the non ad valorem assessment, I have not included the tax roll in the agenda packet. This information is available should a Council member or public request be made. In the current fiscal year, the number of units that the non ad valorem was based on was 843 units (single residential dwellings) at \$292.96 per unit. There was one dwelling permitted last year and is now on the City's tax roll; providing a total of 844 dwelling units in the City of Edgewood ( $\$292.96 \times 844 = \$247,258.24$ ). Please note that Camelot by the Lake is not on the City's non ad-valorem assessments otherwise, the total unit count is 1180.
